EDUCATION

Galgotias University, Greater Noida

BTech in Computer Science Engineering

2022 - Present

Hira Lal VNIC Kannauj

Intermediate (Class XII - UP Board)

2020

SSKL HSS Kunwarpur Karnauli CBR Kannauj

Matriculate (Class X - UP Board)

2016

INTERSHIPS

Google for Developers | AICTE Virtual Internship [\[Link\]](#)

Oct 2024 – Dec 2024

- Developed Android applications using Kotlin/Java and Android Studio, ensuring high performance and usability.
- Gained hands-on experience in UI/UX design, optimizing user interfaces and enhancing overall app experience.
- Integrated Firebase for real-time data storage, authentication, and cloud-based services.
- Followed Google's mobile development best practices, delivering a fully functional and polished Android application

PROJECTS

Credit Card Validator | C++ [\[Link\]](#)

May 2023

- This project verifies the authenticity of a credit card number and manages any input that is deemed invalid.
- The validation process employs the Luhn Algorithm, a checksum formula designed to authenticate identification numbers.

Electricity Billing System | Java [\[Link\]](#)

Dec 2023

- This project provides a platform for customers to generate their electricity bill.
- This application basically provides a customer login portal to an interface where the customers can view their bills including all details and computations like name, address, taxes, meter charges, etc.

SKILLS

- **Programming Languages:** C++, Java, HTML, CSS.
- **Relevant Coursework:** Data Structures & Algorithms, Database Management System.
- **Tools:** Git, Github, MS Excel, MS Powerpoint, Ms Word.
- **Soft Skills:** Problem Solving, Teamwork, Flexibility, Leadership skills.

PARTICIPATIONS & EXTRACURRICULARS

- **Class Representative** with strong leadership skills, actively fostering positive communication and collaboration within the college community.
- Elected as **School Captain** at school, showcasing adept leadership, effective communication, strong organizational abilities, and successfully coordinated various school activities and events.
